Beautiful product

We are truly touched by the service we received from Solentro and also to Julia at customer services. Our book has been very important to us as it is to be used as an introduction book for our upcoming adoption. Finding this site was a God send. Brilliant graphics for a children's book and the finished product is fantastic! We were a little nervous as we thought it might not arrive on time so we emailed Customer service and Julia placed the book as high priority. Our book arrived within 10 days! Can't praise them enough. Our only upset was that somewhere between shipment it has been slightly bent but this is not the fault of Solentro it's just inconsiderate parcel delivery people

Excellent service and very professional

Once I'd got to grips with how the set up worked it was easy to use. Printing my book in paperback was the cheapest option for me although the price for shipping was not evident until placing the order. Overall I was very pleased with Solentro. Once I had placed my order it arrived swiftly and I am extremely proud of the end product.

Greetings!
